

**JOINT CHARTER
OF THE
AUDIT COMMITTEE
OF**

**HANOVER BANCORP, INC. AND HANOVER COMMUNITY BANK
BOARD APPROVAL 12/18/2024**

I. Purpose

The Joint Audit Committee of Hanover Bancorp, Inc. and Hanover Community Bank is established by the Boards of Directors for the primary purpose of assisting the Boards in:

1. overseeing the integrity of Hanover's financial statements,
2. overseeing Hanover's compliance with legal and regulatory requirements,
3. overseeing the independent auditors' qualifications, independence and retention,
4. overseeing the performance of Hanover's internal audit function and independent auditors, and
5. overseeing Hanover's system of internal controls regarding finance, accounting, legal, compliance, and ethics that management and the Board have established.

Consistent with this function, the Audit Committee encourages continuous improvement of, and fosters adherence to, Hanover's policies, procedures and practices throughout the organization. The Audit Committee provides an open avenue of communication among the Audit Committee, the independent auditors, senior management, the internal audit function, and the Boards of Directors, and also provides for employee communication as appropriate.

II. Organization, Membership, and Qualifications

1. Hanover will maintain a qualified Audit Committee. The Audit Committee shall be comprised of three or more directors, each of whom shall be independent as defined under the rules of any exchange on which Hanover's common stock is then traded, meet the criteria for independence set forth in Rule 10A-3 (b)(1) under the Securities Exchange Act of 1934 (the "Exchange Act") (subject to the exemptions provided in Rule 10A-3(c)), and not have participated in the preparation of the financial statements of Hanover or any current subsidiary of Hanover at any time during the past three years. Specifically, unless the rules of any exchange upon which Hanover's stock is then traded contains a more restrictive requirement, a director will not qualify as "independent" if:
 - (a) such director is, or during the past three years was, an employee of Hanover or any parent or subsidiary of Hanover or an immediate family member of an individual who

is, or in the past three years has been, employed by Hanover or any parent or subsidiary of Hanover as an executive officer. Prior service as an interim Chairman or CEO will not disqualify an otherwise independent director;

- (b) such director accepts or has an immediate family member who accepts any payments from Hanover or any parent or subsidiary of the company in excess of \$120,000 during the current or any of the past three fiscal years. This disqualification does not apply to (i) compensation for board service, (ii) payments arising solely from investments in Hanover's securities, if available to all security holders, (iii) compensation to an immediate family member who is a non-executive employee of Hanover or of a parent or subsidiary of Hanover, (iv) compensation for prior service as an interim Chairman or CEO, (v) benefits under a tax-qualified retirement plan, (vi) non-discretionary compensation, or (vii) personal loans to directors or executives permitted by the Exchange Act;
- (c) such director is, or has an immediate family member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which Hanover made, or from which Hanover received, payments (other than payments arising solely from investments in Hanover's securities and available to all security holders or payments under non-discretionary charitable contribution matching programs) that exceed the greater of 5% of the recipient's gross revenues for that year or \$200,000, in any of the most recent three fiscal years;
- (d) such director is, or has an immediate family member who is, employed as an executive officer of another company at any time during the most recent three fiscal years at which any of Hanover's officers serve on such other company's compensation committee; or
- (e) such director is, or has an immediate family member who is, a current partner of Hanover's outside auditor, or such director or immediate family members was a partner or employee of Hanover's outside auditor who worked on Hanover's audit engagement at any time during the past three fiscal years.

In addition, a member of the audit committee will not be deemed independent if he or she accepts any consulting, advisory, or other compensatory fee from Hanover, other than for board service.

We will strive to have an "audit committee financial expert", as such term is defined under Rule 407 of SEC Regulation SK, or any successor provision, as it may be amended from time to time.

2. The qualifications and independence of committee members will be reviewed annually by the Board of Directors.

3. The Chairman of the Audit Committee and the members of the Audit Committee shall be elected by a majority vote of the Board of Directors on an annual basis. Members, and the Chairman, may be removed by a majority vote of the Board of Directors.

4. Committee members shall serve until their successors shall be duly elected and qualified or until their earlier resignation or removal. All members of the committee shall be financially literate, which means each such member must be able to read and understand fundamental financial statements, including Hanover's balance sheet, income statement, and cash flow statement, at the time of his or her appointment to the Audit Committee.
5. Vacancies on the committee shall be filled at the next meeting of the Board based on the recommendation of the Nominating and Corporate Governance Committee and by a majority vote of the Board at the next meeting of the Board following the occurrence of a vacancy.
6. New committee members will attend an orientation program to review audit committee responsibilities and duties and existing members are encouraged to participate in educational programs conducted by Hanover or outside consultants.
7. No member of the Audit Committee may serve on the audit committee of more than two other public companies. If a member of the Audit Committee wishes to serve on the audit committee of another public company, the Board must approve such additional service before the director may accept the additional audit committee position. The Board shall have the sole discretion to permit or deny such additional service.
8. The Board shall make any final decisions with respect to committee structure or membership.

III. Meetings

1. The chairperson of the committee will preside at each meeting and, in consultation with other members of the committee, set the frequency and length of each meeting and the agenda of the items to be addressed at each meeting.
